

A Kid-Friendly Zombie Run & Adult-Friendly Party
Benefiting the Chesapeake Public
Library Foundation and the
Smart Start Chesapeake
Early Learning & STREAM Programs

Did you know?

In Chesapeake, one of every three kids will start school without the critical skills necessary for learning.

An Important Mission

The Smart Start Chesapeake Project is an initiative of the Chesapeake Public Library Foundation, a 501(c)(3) non-profit organization. The project provides funding to support literacy-based and STREAM (science, technology, robotics, engineering, arts and math) programs which are designed to help every child in Chesapeake master skills needed for lifetime learning.

Smart Start Chesapeake levels the educational playing field for all children in Chesapeake and positions our City for future economic and workforce success in the region. The project supports seven Smart Start Centers within the library system and provides literacy-based and STREAM programs for more than 50,000 children each year.

About The Zombie Fun Run

The Zombie Fun Run is a 3K kid-friendly zombie run held on the City of Chesapeake Municipal Campus. An after-party at the Central Library features food vendors, beer and wine, games, an award ceremony, a costume contest and live music. The event will be held on Saturday, October 21st, at 5:30 PM at the Central Library. Proceeds from the event benefit the Smart Start Chesapeake Early Learning & STREAM Programs. For complete details, visit ChesapeakeZombieRun.com.

You're Invited To Make A Difference

You are one of a select group of individuals, companies and organizations being invited to participate in the Zombie Fun Run Sponsorship Program. The Library Foundation and its sponsor / donor affiliates will be collaborative partners in supporting the Smart Start Chesapeake Early Learning & STREAM Programs. Your sponsorship or donation is an investment in our community. In addition, you may receive substantial financial benefits and tax savings.
